

Courage to Commit is a comprehensive campaign reflecting a working goal of \$31 million. The campaign launched in July 2018. Capital gifts assist with the growth of the school and serving more children. Support specifically provides resources for the purchase and renovations of the third campus, the St. Marcus Harambee Campus. Gifts prepare spaces that will provide an additional 600 scholars with the highest quality academics and environments.

HARAMBEE CAMPUS NAMING OPPORTUNITIES

You + St. Marcus = Lives Transformed!

Consider making your philanthropic mark on our community by naming a Harambee campus physical space, place, or object. This is your opportunity to make a transformational and enduring impact for St. Marcus scholars, right now and for generations to come. View current naming opportunities below; other opportunities in identified spaces are available upon discussion.
